STATEMENT OF PURPOSE AND FAITH (Bylaws Article II)

Covenant Christian High School shall have as its primary purpose the establishment, operation, and promotion of a school to educate students in such a way that each student will become a useful and creative citizen of Christ's Kingdom and of the student's community, state and nation, with the desire and ability to apply the student's Christian commitment and principles to all of life's situations. The foundation of Covenant Christian High School is the infallible Word of God written in the scriptures of the Old and New Testaments as interpreted in the historic confessions of faith, namely the Heidelberg Catechism (http://www.crcna.org/pages/heidelberg_intro.cfm), the Belgic Confession of Faith (http://www.crcna.org/pages/belgic_confess_main.cfm), and the Canons of the Synod of Dort (http://www.crcna.org/pages/dort_canons_main.cfm). In accordance with these confessions, we hold unreservedly to the sovereignty of God, revealed in the creation [Romans 1:20] and in the Lordship of Jesus Christ, over the world and thus over every sphere of human activity, and submit unconditionally to the authority of Holy Scripture, thereby recognizing Scripture alone to be the supreme and final standard for Christian education and all other matters of faith and life. On this basis, we subscribe to the following articles:

- (a) We believe in the Scriptures of the Old and New Testaments as the infallible, inerrant, sufficient, and inspired Word of God, and that they are the supreme and final authority in faith and life. [II Peter 1:19-21; Psalm 19:7-11]
- (b) We believe that God is the one only God, eternally existed in three persons, in Trinity; the Father, the Son and the Holy Spirit. Each Person is unique but together; one in substance and equal in power and glory. [Gal. 4:4-6; Heidelberg Catechism Lord's Day 8 Q & A 25]
- (c) We believe that God, the Father, Son and Holy Spirit, created the universe and its parts perfectly from nothing, by means of His sovereign verbal directive. [Hebrews 11:3] God not only created all things, but also upholds and is sovereign over all creation. Included in this creation was man made in the image of God, made without sin, and capable of perfect obedience.
- (d) We believe that man, though created perfectly, nevertheless fell into sin and rebelled against God. As a result of man's sin, all creation was placed under God's curse. [Gen. 3:17-19]
- (e) We believe that for man's salvation God graciously sent Jesus Christ our Lord, the only begotten Son of the Father who was conceived by the Holy Spirit and born a true man of the virgin Mary. Being therefore both God and man, He is the perfect mediator between God and man. He lived a life of perfect obedience, suffered in His humanity, was crucified, experienced complete separation from God, died, was buried, and arose bodily from the dead on the third day. He suffered total punishment in the place of those He came to redeem so that they would be reconciled to God. [II Cor. 5:21; Rom. 5:8-10]
- (f) We believe that eternal life is a gracious gift of God received through faith alone in Jesus Christ alone and that eternal life is neither deserved by anyone nor can it be earned by good deeds. [Eph. 2:8-10]
- (g) We believe that after His bodily ascension into Heaven, Christ our Lord was seated at the right hand of God the Father, where He intercedes for those whom He has purchased with His own blood. From heaven, he will return to judge all men, giving believers in Him life eternal and unbelievers eternal condemnation and separation from God forever. [Rom. 8:34; Matt. 25:31-46]
- (h) We believe that God the Holy Spirit is our Teacher who instructs us in the meaning and application of the Word of God from the Word itself. His regenerating and illuminating work is necessary to a saving understanding of His Word and a growing in grace and knowledge of our Lord and Savior Jesus Christ. [II Tim. 3:14-16; John 14:26]
- (i) We believe that God has charged parents with the responsibility of bringing up their children in the "nurture and admonition of the Lord" [Eph. 6:4], and that the school serves to assist parents in this covenantal task.

EDUCATIONAL PHILOSOPHY (Bylaws Article III)

No student shall be admitted to or enrolled in any school operated by the Corporation unless a parent or legal guardian of that child subscribes to Articles of Faith (a) – (i) in Article II above and this educational philosophy:

- (a) God reveals Himself to man in His Word, the Bible. This Word gives man an understanding of God, of himself, of fellow human beings, and of creation itself. This Word serves as the guide for all of man's relationships and activities.
- (b) God created man in His own image as the crown of creation and made a covenant with man to be a steward of that creation.
- (c) Man disobeyed God and rejected his responsibility in that covenant. Because of this, sin entered the world, alienating man from God, the creation, and his fellow man, and the world became distorted.
- (d) Jesus, the "Word made flesh", was sent by God the Father to redeem His people from sin. Through Christ and by the work of His Spirit, man and creation are renewed and man may again covenant with God to fulfill his original calling and mandate.
- (e) God gives parents the privilege and responsibility of teaching their children the covenant relationship which God made with believers and their children. They must do this in the light of revealed truth.
- (f) Man has discovered and learned about himself and the universe. However, true knowledge can be possible only in the light of God's revealed truth, the Bible. Man's knowledge of God, himself, and the universe becomes meaningful through the work of the Holy Spirit.
- (g) Education for the Christian becomes whole and meaningful when it is based on the Bible. Upon understanding the proper relationships between God, man, and creation, it is possible to teach that all of life must be consecrated to God, to the service of fellow man, and to being stewards of God's creation in fulfilling the cultural mandate.
- (h) Christian parents are primarily the ones responsible to educate their children. To discharge this responsibility, parents establish Christian schools where Christian teachers, who stand *in loco parentis*, educate their children. These Christian teachers must be committed to Jesus Christ as Lord and Savior. This commitment must be reflected in their personal dealings with each other and with their pupils and in their ability to apply these Christian principles to their respective teaching areas. These teachers must be well trained in their respective fields, since each pupil must be given the necessary tools with which to carry out his or her task.
- (i) Christian schools organized and administered according to legal standards and provisions of the state, should be fully recognized in society as free to function according to these principles.

Position Statement on Marriage and Sexuality

01 The term “marriage” has only one meaning and that is marriage sanctioned by God which joins one man and one woman in a single, exclusive union, as delineated in Scripture. (Genesis 2:22-24; Matthew 19:4-6; Mark 10:5-9; Ephesians 5:31-33).

02 God intends sexual intimacy to only occur between a man and a woman who are married to each other. God has commanded that no intimate sexual activity be engaged in outside of a marriage between any persons. (Proverbs 5:10; Matthew 5:27-30; 1 Corinthians 6:9-20).

1 Corinthians 7:2 “But since sexual immorality is occurring, each man should have sexual relations with his own wife and each woman with her own husband.”

03 Any form of sexual immorality, such as adultery, fornication, homosexual conduct, bisexual conduct, bestiality, incest, pornography or any attempt to change one’s sex, or disagreement with one’s biological sex, is sinful and offensive to God. (Leviticus 18:1-30; Leviticus 20:10-21; Proverbs 5; Romans 1:26-27; Ephesians 5:3-7).

Jude 1:7 “In a similar way, Sodom and Gomorrah and the surrounding towns gave themselves up to sexual immorality and perversion. They serve as an example of those who suffer the punishment of eternal fire.”

04 In order to preserve the function and integrity of the Christian school, and to provide a biblical role model to the community, it is required that all students, persons employed by the school corporation in any capacity, persons who serve as volunteers, and parents / guardians of enrolled students should abide by this Statement on Marriage and Sexuality and conduct themselves accordingly. (Romans 12:1-2).

05 God offers redemption and restoration to all who confess and forsake their sins and seek His mercy and forgiveness through Jesus Christ, including the sins of sexual immorality delineated in this position statement. (Romans 6:22-23; Ephesians 2:1-10; Ephesians 5:1-2).

W. Academic Probation Policy

Students are expected to successfully progress in their academic work at Covenant.

1. A student will be placed on academic probation when the student receives a failing grade in two or more courses in any semester.
2. A conference will be required with the student, the parents/guardians, the Guidance Counselor, and the Principal. The conference will be to evaluate the causes of these failures, develop a course of action to avoid future failures, and develop a plan to successfully recover lost credits.
3. Following a semester of academic probation, the Principal and Guidance Counselor will review the student’s academic record and make recommendations to the Education Committee.
4. Following a review of the recommendations, the Education Committee may make recommendations to the Board of Directors.

X. Eligibility for Student Activities Policy

Since Covenant values academic performance and wants each student to achieve the highest level of educational success within the framework of his or her ability, we have implemented the following policy to govern the student’s involvement in extracurricular activities:

1. Eligibility applies to all students who participate in extracurricular activities.
2. Students must have at least a “C” (73%) average and not be failing in any class.
3. Eligibility will be determined at the end of the fourth week of a grading period and at the completion of a grading period.

4. If a student is ineligible, he/she will not be allowed to participate in events or contests until the next eligibility check. A student will be able to resume practice after two weeks of ineligibility if he/she has demonstrated academic progress.
5. The administration, with input from the faculty and parents/guardians, reserves the right to grant eligibility to students that demonstrate excellent effort but fail to meet guideline number two (2).
6. A student determined to be ineligible may appeal in writing to the Eligibility Committee, made up of the Principal, Guidance Counselor and a faculty member.

Y. Extracurricular Opportunities

Academic work should exhibit scholarship, diligence and excellence, as God calls His people to use their gifts to the best of their ability. Covenant has adopted these writing standards:

1. Work must be original; plagiarism will not be tolerated.
2. Work must be completed on the computer or in legible handwriting with blue or black ink.
3. Work must be submitted by the due date as announced by the teacher.
4. Work will exhibit MLA formatting.

<http://www.ccc.commnet.edu/mla/index.shtml>
5. Work will exhibit correct grammatical usage.

AA. Study Hall Procedures

1. Seating charts for each study period will be established and assigned by each teacher.
2. A quiet, study atmosphere will be maintained.
 - a. Students are to be prepared for individual study.
 - b. Group work and study is a privilege that may be granted at a teacher's discretion.
 - c. Students are not to leave the room without prior written consent from another teacher.
 - d. Teachers will honor genuine reasons for a student to temporarily leave a study hall.
 - e. Teachers will closely monitor the amount of time away from the classroom.
3. Students may sign into the media center/library at the start of the study hall period only if their work requires the use of media center/library resources, and the room is not being used for scheduled class.

BB. Senior Flexible School Day Policy

Covenant Christian High School requires students to be full-time students earning 6 of 7 classes each day unless they have been granted permission by administration and parents to be a part of the Senior Flexible School Day program. The following guidelines would need to be met in order for students to be able to participate in this program.

The student must be a senior in high school, be current on all graduation requirements, and be in good academic standing at the school.

1. Students can leave 7th period, which can replace a study hall allowing the student to leave one period early. Up to two additional periods could be utilized in the form of an internship, or by taking on-line classes to replace in-house classes.
2. Students can remain eligible for all extra-curricular activities, committees, and clubs, since these internships are given grades and are counted for credit.
3. Within this program, students could be outside of the school for their internship/employment for up to three class periods each day. Periods missed must be consecutive, in order to make the internship valuable when driving time is considered.
4. All employment must be verified before students are allowed to take part in this program. Students leaving for 7th period to work will have no other obligations for being gone from school, as long as they can fit a study hall into their 7th period schedule. Guidelines will be set for all students in the work required for internships to remain in this program. Paperwork will be completed by both the student and the employer or supervisor.
5. Seniors utilizing this policy will still be considered full-time students and charged full tuition.
6. Each student will be considered on a case-by-case basis and decisions will be made by the CCHS principal and guidance counselor.
7. Students who choose to be part of this program are agreeing to be dismissed at the same time each day and will not have the opportunity to remain in the building if their schedule changes.
8. Once students leave for the day they may not return unless granted permission by the CCHS principal.

(6-1-21)

CC. Emergency Drill Procedures

1. Fire Drills
 - a. Fire drills will be conducted at least once a month.
 - b. Each classroom is to leave by the exit designated on the emergency exit diagrams.
 - c. Exit the building quietly and line up in the designated location.
2. Severe Weather
 - a. Severe weather drills will be conducted at least four times per school year (twice in the fall and twice in the spring).
 - b. Tornado Watch – when school is in session, school will continue and dismiss as normal.
 - c. Tornado Warning – students will be directed by the teacher to the safest area in the building. In the event of a warning, students will be detained in the safest area until the warning is lifted, even if students must stay beyond the normal dismissal time

DD. Chromebook Policy

Students will be required to obtain an assigned DMCS-owned Chromebook for their time at CCHS. Under this condition, the device would be registered under the school and have the same monitoring as the school owned devices. The program will involve an annual technology fee to cover the cost of a dedicated Chromebook. Upon graduation from Covenant Christian High School, the Chromebook will belong to the student/family (transferring out or not graduating results in the school keeping the Chromebook). Our goal is to solve the challenge of Chromebook availability to all students as well as nurturing a greater sense of ownership among the students for their device.

Guidelines for the program:

1. There will be an initial annual technology fee of \$130 and then \$100 each year after. This fee covers the cost of the Chromebook, a protection cover, warranties, applicable school required applications, and the cost of typical maintenance work.
2. If a student breaks their Chromebook due to neglect or carelessness, they would be responsible for the cost of repair or purchase of a replacement Chromebook. - It will be the responsibility of the student to charge and bring their Chromebook to school each day.
3. At the end of each school year, the Chromebook will be returned to the school for the summer maintenance and updates.
4. If a student older than entering 9th grade would like to enter the program, they may at any time. They would be responsible for “catch-up” technology fees for each of the previous years. (Example: entering 10th grade = \$230, entering 11th grade = \$330, entering 12 grade = \$430. - Upon graduation from CCHS, the Chromebook would belong to the student/family.
5. Current students in grade 12 may choose to use the remaining Chromebooks currently available at CCHS. These devices are to remain at school since they would not be dedicated to a specific student. - As with any technology, the expectation is full compliance with DMCS’s technology policy (see pg. 25).

II. School Discipline Policies and Procedures

A. Guiding Principle of Christian School Discipline Policy

“No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it.”

Hebrews 12:11

Hebrews 12 makes it very clear that God disciplines His children in love and because of love. Although the motivation for discipline at Covenant is the same, human imperfection hinders carrying out discipline in the same perfect manner as our heavenly Father. Nonetheless, Covenant will attempt to discipline in the context of Christian love and to nurture the individual student(s) as well as the rest of the Covenant community.

In school, as in all of life, choices are made which come with corresponding responsibilities and consequences.

Covenant school discipline is guided by the broad concepts of:

Choices > Conflict > Confession > Forgiveness > Consequence > Restoration

It is imperative to keep the following points in mind as the remainder of Covenant's Discipline Policy is read:

1. To promote and maintain consistency, most discipline matters at Covenant have been organized into three general categories.
2. Each category includes the usual progression in the steps of discipline.
3. Depending upon the severity of the infraction/violation, disciplinary measures may be handled on a case-by-case basis.

For fall sport athletes, the period of enforcement will begin on the first day when the IHSAA permits teams to practice. For spring sport athletes, the period of enforcement will run through the last day a spring athletic team is competing if this season extends beyond the last day of classes or graduation day. Substance Abuse Assessment: The purpose of the assessment is to use third parties to assist the parents/guardians and the school in determining what further actions or treatment may be needed to help the student discontinue such harmful behavior. Assessments consist of one or more interviews with the student, as well as the administration of standardized medical, psychiatric, and personality tests. Typically, some communication concerning the reasons for requiring an assessment, etc. will take place between the school and the agency.

The determination and the discipline procedure will also be communicated to the parent(s)/guardian(s) via a phone/personal conversation and a written letter.

Appeals of determination that the discipline policy has been violated and/or expulsion shall follow these procedures:

- c. The Education Committee will consider the circumstances and evidence of the case, as well as the rationale for the appeal, and make a decision. The student and/or parent(s)/guardian(s) will be given the opportunity to appear before the Education Committee. The decision of the Education Committee will be communicated via a phone/personal conversation and a written letter.
- d. Appeals to the Board of Directors must be made in writing within 48 hours of the notification of the decision of the Education Committee. E. Appendix for the Discipline Policy

1. Dress Code Policy (Category One)

Clothing and appearance should contribute to a healthy academic environment. Extremes in clothing and grooming to gain undue attention or to challenge the accepted standards of the school are inappropriate and not permitted. Moderation and modesty are values that should be obvious in a Christian school.

Parents can help DMCS to achieve these standards by maintaining standards of modesty of dress in the home before the student comes to school each day. While recognizing that each student is a unique individual, DMCS expects students and parents to comply with the following standards and guidelines. The administration, with the help of teachers, reserves the right to determine whether dress items are appropriate in a school setting. Students are expected to dress showing respect for self and others:

- a. Dress should not reveal undergarments.

- b. At a maximum, necklines should be no more than the width of four fingers below the top of the center of the collarbone.
- c. Clothing should have no skin showing through a rip or hole above the knee.

With this access comes the availability of material that may not be suitable for students. Covenant has taken precautions to restrict access. However, it is impossible to totally control and eliminate all materials that may be deemed inappropriate or controversial.

G. Addressing Parent or Constituent Concerns Regarding Instructional Materials or Media Policy

Vision

The programs at DeMotte Christian Schools, Inc. represent a sincere effort by our staff and students to integrate our religious vision within learning. With the Bible as our basic guide for all programs, we believe “the fear of the Lord is the beginning of wisdom” (Proverbs 9:10). Our staff is dedicated to the authority and dependability of the Bible. Our vision includes the following six aspects:

1. God in His Image created people in order to live in communion with other human beings and with God. Scripture also directs us to subdue the earth.
2. In spite of the fall into sin, our task to rule and develop the Creation continues because of the regenerating work of Jesus Christ.
3. The forces of evil constantly threaten to prevent the believer from doing his cultural task.
4. Faith in God or unbelief cuts at the very heart of man. Faith determines our relationship to God, to people and to the Creation.
5. Christian education is a communal development of a Christian mind in which every Christian student and teacher participates.
6. We are in the world but not of the world. Christian education must help students learn the difference and to live accordingly to serve and love God and their neighbor.

Introduction

Whenever teachers at DMCS choose material for curriculum use they must consider several important, foundational principles. Some of the principles used and articulated in the following policy include the questions that follow. Is the material consistent with the Reformed Christian perspective on culture in which Covenant stands? Is the material aesthetically and academically excellent? Is the material developmentally appropriate for the intended age group? This introduction considers the first question, and presents a context for material selection that is rooted in a distinctively Reformed Christian world and life view.

Christian education views curriculum as the roadmap to learning about God, His world and our important place in it. It attempts to show that God has a design for the universe that can be seen in the study of all things, and that there is a relationship between these different

things. Christian education separates for study and yet integrates all curriculums so that students see wholeness. Along the way Christian education shows students where sin has distorted systems, relationships and human thoughts, so that they can engage culture in redemptive ways for the sake of Christ's kingdom.

Material selection at DMCS is therefore a concrete exercise in fulfilling our mission of developing academically prepared Christian graduates, taught from a Reformed Christian perspective. Our policy enables teacher and students to reflect and apply God's timeless truths to the wide range of life's challenges.

Addressing Concerns

Parent or society member concerns regarding instructional materials or media should be addressed in the following manner:

1. Parent or society member should discuss the concern with the teacher or librarian to seek a resolution. The teacher or librarian will inform the Principal of the concern.
2. If satisfactory resolution is not reached, the teacher or librarian will prepare a written summary of the concern, to be signed by both the teacher or librarian and the parent or society member. The parent or society member may set up a meeting with the Principal, which may or may not include the teacher or librarian.
3. If satisfactory resolution is not reached, the parent or society member may meet with the Education Committee, Principal, and the teacher or librarian at the next regularly scheduled Education Committee meeting. Liaison(s) from the curriculum committee of the subject involved may also be included in the discussion.
4. If satisfactory resolution cannot be reached with the Education Committee, the parent or society member may then request to meet with the full board to seek a final resolution at the next regularly scheduled Board meeting
